

# NEW DISMISSAL PROTOCOL

Summer vacation is winding down and excitement is building for the upcoming school year. A major focus for us has been the safety of our children, particularly during dismissal.

After much deliberation and consultation with parent representatives, our administration, and our security company, the following protocols have been designed for dismissal.

**PLEASE READ THEM CAREFULLY. THEY HAVE BEEN DEVELOPED WITH ONLY ONE GOAL IN MIND: OUR CHILDREN'S SAFETY.**

Please read through these **NEW** protocols. Our children's lives depend on everyone's compliance:

1. **After 3:00 PM, you may only make a right turn** out of the parking lot.
2. There may be **no parking at any time on the other side of the street**. It is much too dangerous. The **children may not cross Old Bushtleton Avenue** at any time even with a parent.
3. **Dismissal times:**  
3:25 for carpools consisting only of Kindergarten students  
3:40 Philadelphia buses  
3:47 Suburban buses  
3:55 Carpools: **No one should arrive BEFORE 3:55.**

All students will remain in the classrooms until they are called to be dismissed.

**Please Note:**

Kindergarten carpools may come into the parking lot **between 3:25 to 3:35 only**. **No one will be allowed into the lot after 3:35.**

If you are late, please park off campus and come into the building.

We have also enhanced our supervision personnel. Our "Chain of Safety" will only be as strong as the weakest link of compliance.

Your children thank you for your efforts.
