The Pride of POLITZ Yeshiva

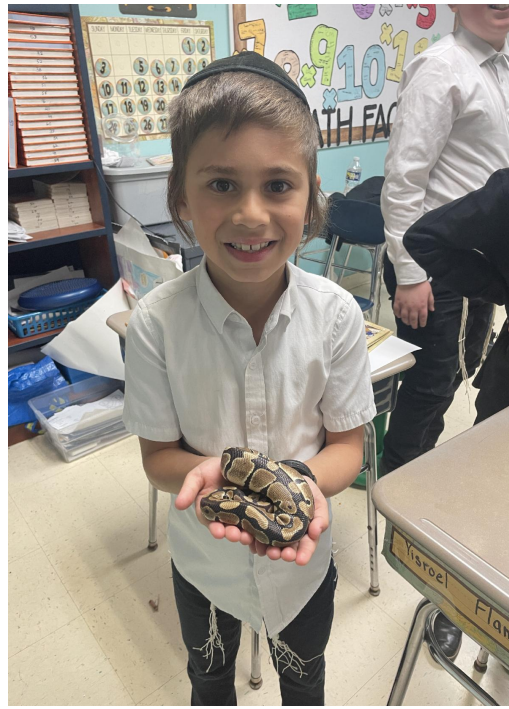

Rabbi Morgenbesser's 1st grade made a siyum on פרק ד' and enjoyed delicious treats!

Mrs. Middleton's 2nd grade are gaining new skills writing their own coding programs

during STEM with Rabbi Kohl!

Our 4th grade met Politz's new Science Lab pet, Democritus, a Ball Python snake. The students learned how to handle snakes (if they wanted to), what the snake's skin feels like, and how to care for him.

Mazel Tov to the 4th-grade boys on finishing Parshas Mikeitz!
The beautiful Siyum was enjoyed by all!

Our talmidim in 4th-8th grades celebrated a joint siyum on Mishnayos Beitzah. Over winter vacation, each class learned a portion of the masechta and together, b'achdus, completed it. Special thank you to Rabbi Young who spearheaded the efforts to bring this wonderful program to fruition

This week the local Fire Department visited Politz Yeshiva & Bais Yaakov! Our Kindergarten and lower school had the opportunity to meet firemen, learn about fire safety and even explored a fire truck

Kindergarten made delicious fruit kebabs this week as they wrapped up learning about the bracha בּוֹרֵא פְּרִי הָעֵץ.

The Pride of POLITZ BaisYaakov

Mazel tov kitah gimel on your Siyum of Parshas Chayei Sara! Our students made two bracelets, just like Rivka was given two bracelets from Eliezer.

Miss Dick's 2nd grade had fun learning how if Lot goes to the right, then Avram to the left, and vice versa! To bring this concept to life, our girls decorated gloves that said "yamin" and "smol" and played a game of Simon Says with their hands, running to the right and left of the room.

Last week our 3rd grade girls put on a beautiful performance for the Lower School Erev Shabbos Program. This program gives every girl a chance to shine through song and dance, and bring in Shabbos with excitement!

Led by the G.O. Student Government, our Middle School students enjoyed making delicious cookies for their Erev Shabbos program.

Miss Zeffren's 5th grade enjoyed a cookie decorating activity in celebration of their *Siyum on Shiras Devora*.

Our 4th grade met Politz's new Science Lab pet, Democritus, a Ball Python snake. The students learned how to handle snakes (if they wanted to), what the snake's skin feels like, and how to care for him.
