### The Pride of POLITZ Yeshiva

The learning in our Yeshiva has continued strong following the Pesach break.

Rabbi Rochkind's 5th grade class acted out a case of the Gemara (Baba Metzia 26b) where a person saw a coin fall from among three people and we must speculate who was the owner of the money and if there is a mitzvah of Hashavas Aveida.

Talmidim in our Middle School received prizes from the Pesach learning program that was spearheaded by Rabbi Young.

### פסח תשפ"ד חזרה

Mazel Tov to the following boys who used their פסח vacation to review all the גמרא they had learned this year. We are proud of them and their accomplishment. May they continue to grow in תורה and יראת שמים, and may we continue to have נחת from them.

# The Pride of POLITZ BaisYaakov

First grade girls are "springing" into fun, learning about the seasons and the transformation of caterpillars into beautiful butterflies.

Kitah beis had fun making and decorating their Pirkei Avos bulletin board. The girls crumpled tissue paper and glued it onto watches to show that "hayom kotzer vhamlacha mirubah," every minute is precious.

The second grade is learning all about money! They have been having a lot of fun using different materials to create equal sums of money.

Mazel tov to Ahuva Yeamens on her finishing reading Sefer Bereishis! What an amazing accomplishment!

Third grade girls worked beautifully on their Pirkei Avos bulletin board and created a stunning masterpiece.

Yasher koach to our teachers and students on creating gorgeous bulletin boards that reflect all of the incredible learning taking place in the classrooms. The hallways are so colorful and lively!
